### FUNDRAISING QUICK TIP

Don't let unsold items from your case bring you down! Prior to the money due date, bring them back into your group leader and see if anyone else has items that haven't sold yet. Have the unsold products evenly redistributed to those involved as one person may be able to sell more of a particular snack to their friends/customers. This way you're sure to sell every last item and bring in all of your profits.
