Thank you for doing your part and assisting us in making this fundraiser a success!

FUNDRAISING QUICK TIP

It may be helpful to call or email your customers to let them know when you will be delivering their order. That way, if they will not be home, they can place payment in an envelope and discreetly leave it for you to pickup when you deliver. Also, placing items in a paper or plastic sack with the customer's name on it will make delivery quicker and ensure products aren't left exposed if patrons are not around on delivery day.
